

Cookie Policy for MMT Website

1. Introduction

This Cookie Policy explains how Machine Medicine Technologies Ltd (MMT) uses cookies and similar technologies when you visit <https://machinemedicine.io> and its associated pages.

Cookies help us provide a secure, functional and user-friendly experience. This policy explains the types of cookies we use, their purpose, and how you can manage your cookie preferences.

2. What Are Cookies?

Cookies are small text files stored on your computer or mobile device when you visit a website. They enable websites to function correctly, remember your preferences, and help website owners understand how visitors use their websites.

Cookies may be:

- **Session cookies**, which are deleted when your browser is closed.
- **Persistent cookies**, which remain on your device until they expire or are deleted.

3. Categories of Cookies Used

3.1 Necessary Cookies

Necessary cookies are essential for the operation and security of our website. They enable core functionality including page navigation, security features, and protection against malicious traffic.

Machine Medicine Technologies uses Cloudflare services to provide website security, availability, and performance. These cookies cannot be disabled through the cookie preference centre as the website cannot function correctly without them.

3.2 Preference Cookies

Machine Medicine Technologies Ltd may use preference cookies to remember information that changes the way the Website behaves or appears, such as a preferred language, region, or other user preferences.

Where such cookies are used, they will only be stored in accordance with your cookie consent preferences and applicable data protection legislation.

3.3 Statistics Cookies

Statistics cookies help us understand how visitors interact with our website.

With your consent, where required by applicable law, Machine Medicine Technologies uses Microsoft Clarity , provided by Microsoft Corporation, to help us understand how visitors interact with our website. Microsoft Clarity may use cookies and similar technologies to collect information such as page visits, clicks, scrolling behaviour, navigation patterns, session information, device/browser information and approximate location derived from IP address. This information is used in an aggregated and/or pseudonymised form to help us improve the usability, performance and user experience of our website.

3.4 Marketing Cookies

Machine Medicine Technologies does not currently use marketing or advertising cookies on its website.

Should this change in the future, this Cookie Policy and the cookie consent mechanism will be updated accordingly.

4. Managing Cookie Preferences

When you first visit our website, you will be presented with a cookie consent banner that enables you to accept or reject optional cookies.

You may withdraw or modify your consent at any time using the cookie preferences available on our website.

Most web browsers also allow cookies to be managed through browser settings. **Please note that disabling necessary cookies may affect the functionality of the website.**

5. Cookie Declaration

Machine Medicine Technologies Ltd uses Cookiebot to scan the Website regularly and maintain an accurate record of the cookies and similar technologies in use. Cookie information is reviewed and updated following regular website scans.
